3. The lessee will not make any alterations to, or modify, the equipment.
4. The lessee will not remove any identification features on the equipment or on any part of them.
5. The lessee will keep the equipment, and only use them, at the premises on the front page of this lease. (unless otherwise specified)
6. The lessee will use the equipment only for the purposes for which they are manufactured and will not use them for any illegal purpose or in any illegal manner.
7. The lessee must immediately notify the lessor of any loss or damage to the equipment.
8. The lessee will not allow any lien to be created over the equipment for the cost of repairs or otherwise.
9. The lessor or any person authorised by the lessor may inspect the equipment at any reasonable time.

11. The lessee has examined the equipment before entering into this lease and acknowledges that the equipment complies with their description in this lease and that the nature and condition of the equipment meets the lessee's requirements.
12. If the lessee fails to pay any amount due under this lease or fails to comply with any of its other obligations in this lease, or does or omits to do anything that might endanger the equipment or the lessor learns that the lessee has made a false statement when negotiating this lease, the lessor may immediately repossess the equipment (without releasing the lessee from any present or future liability under this lease).
13. The lessee will pay interest at 15% per annum on any payments due to the lessor under this lease until they are paid (but without limiting any other right the lessor has).
14. Whilst every effort will be made to ensure the equipment is in excellent condition and will cause no problems for the lessee, the lessor gives no guarantee, warranty or undertaking and is not liable to the lessee for any damage or loss resulting from use of the equipment.
15. All rented equipment will be collected by the lessor at the agreed time and date. If the lessee wishes to extend this period, he/she may apply to do so, and but only with the permission of the lessor.
16. All equipment returned must be in the same condition as before hireage. Any damage will be repaired/replaced as necessary, at the expense of the lessee. The lessee shall also incur any expenses, disbursements and legal costs incurred by the lessor in the recovery of any unpaid rental or in recovering from the lessee all damage payable by the lessee.
